

Friends,

Please join us on Tuesday, October 11, 2022, at the Golf Club of Houston for the 12th Annual Frank Billingsley Golf Classic presented by Hawkins Laakso Wealth Management and Equitable. Join KPRC-Channel 2 Chief Meteorologist Frank Billingsley as he kicks off the tournament after you have enjoyed a delicious breakfast. Then, once you have finished playing the 18-hole course, we will treat you to a lively reception and awards luncheon to end the afternoon with a bang. I have played in this tournament for years, and can tell you it is a day you do not want to miss!

Awards will be presented for Gross and Net!

The golf committee wants to exceed our fundraising goal to benefit Legacy's young patients. We know we can do it again this year, but only with your participation and support. We are looking forward to another amazing event and we want you to be part of it. **We respectfully ask you to consider sponsoring our tournament this year.** Your sponsorship will benefit Legacy's School Based Health Care program, which provides health care services to students at KIPP, YES Prep, and Galena Park ISD schools. Thanks to this program, students don't miss class and their parents don't miss work because medical and behavioral health care from Legacy is available for students at their schools. Last year, this program served 10,997 students with 44,626 completed appointments; 26,795 (60%) were behavioral health and 17,831 (40%) were medical visits. Roughly, 20% (2,420) of the students used 60% (25,795) of the total visits to receive behavioral health services. This highlights the critical need students have for this type of service. Help them continue receiving care by supporting our event.

Enclosed is a sponsorship form that details the benefits that ensure your organization receives the recognition it deserves. If you are unable to play, you can join us for lunch and stay for the amazing raffle and auction. We also welcome donations for our raffle and auction.
