AT
TPC HOUSTON

Join Us as a Sponsor for the 16th Annual Frank Billingsley Golf Classic!

Kids shouldn't have to choose between health and learning.

In classrooms filled with potential. In schools meant to open doors.

But too often, they do. Because untreated illness leads to missed school days. Because anxiety, trauma, and chronic conditions do not stop at the school door. Because when students are not healthy, education suffers.

For 16 years, the Frank Billingsley Golf Classic has brought Houston's business and philanthropic communities together for a day that delivers more than great golf. On October 12, 2026, at TPC Houston, we do it again with purpose.

Led by Chris Laakso of Hawkins Laakso Wealth Management, and powered by committed sponsors and longtime supporters, this tournament fuels Legacy's School-Based Health Program.

That means care where it is needed most. Care inside schools. Care for thousands of students who might otherwise go without.

With 39 clinics serving KIPP, YES Prep, and Galena Park schools, the program keeps students healthy, present, and positioned for success. Celebrate 16 years of doing the work.

Join us. Because changing lives does not just happen. It is something we choose to do.
